## McKinnon Outlines Policy Of Independent Assoc'n.

### Outlines Platform of Independents in Provincial Election.

Speaking before an audience of approximately seventy five electors of the Bassano District, Mr. Donald J. McKinnon, Independent Candidate in the coming provincial election outlined the policies of the Independent Association on Tuesday evening of this week. The meeting was presided over by Mrs. Ben S. Plumer of Bassano, one of the directors of the Association.

In opening the meeting, Mrs. Plumer pointed out to those present that Mr. McKinnon was a native son of Alberta and had spent a greater portion of his life in the District which he now seeks to represent in the government. For a number of years he ranched south of Bassano, consequently he is familiar with a number of persons in this particular district.

Upon taking over the platform, Mr. McKinnon expressed his appreciation of receiving the nomination of the people in the constituency. He outlined the formation of the Independent Association through the constituency and made a plea for the support of electors in his behalf.

"People of the province have lost confidence in the 1935 government," said Mr. McKinnon, "and realize that there is no way out of the situation by hickering with old line political parties. Consequently Independent candidates were elected in each provincial riding in opposition to the government." He went on to explain that by Independent Candidates, he referred to men who had no political affiliations with former old line parties, but had taken up the cause in the interests of citizens of the province who were united in their opposition to the government.

Warming up on the subject Mr. McKinnon referred back to the days before the last provincial election. First he went back to the year 1929, when farmers were receiving a good price for all products they could grow or raise, and were quite satisfied. Then he referred to the year 1933, when the situation was quite different and farm products, if a market could be found, sold at a low price. Farmers were in desperate circumstances and were looking for any solution to the situation that offered a promise for the future. At the same time that farmers were suffering, all businesses and individuals were undergoing similar trying conditions, and the general feeling throughout the province was unanimous.

With these conditions to work on, Mr. Aberhart in 1934 and 1935 found little difficulty in rallying the people of the province to his support in the election campaign. During his campaigning, he found that more enthusiasm could be aroused by propounding magic theories and making promises, impossible for fulfillment, a few of which Mr. McKinnon renewed in

the minds of the audience. Among them were the \$25 dividend, Lower Taxation, No Repudiation of Debts, Just Price, the Recall Act, and Settlement of Private Debts. Mr. McKinnon attributed the loss of support for the government to these unfilled promises, coupled with wasteful administration and attempts to force dictatorial legislation upon the citizens of the province.

Speaking upon the administration of the present government, Mr. McKinnon pointed out that revenue increases during the past few years have amounted to over eight million dollars, out of which Alberta taxpayers have supplied six and one-half millions through increased taxes. He outlined how Income Taxes had been increased from 50 to 100 per cent and through the

(Continued on Page Five.)

### MAJOR LINDSAY MEETS DUKE OF CONNAUGHT

From Medicine Hat to Bagshot, England, is a long way, but the gap was recently bridged by Major R.A. Lindsay of Medicine Hat. At a private dinner at the home of the Duke of Connaught which Major Lindsay attended with his commanding officer, Col. Colquhoun, and Major Murphy of Vancouver, the talk turned to Canada. The Duke was greatly interested when he heard that Major Lindsay had been principal of Connaught school and it was recalled that the Duke of Connaught laid the cornerstone of the school years ago. Lady Patricia, honorary colonel of the P.P.C.L.I., was also present at the dinner and joined with the visiting officers of her regiment in reminiscence of western Canada.

Major Lindsay is a son-in-law of Mr. and Mrs. J. Lenard of Bassano, and is well known at this point.

### CABLE GREETINGS FROM OLD COUNTRY

Mrs. J. Brown of Gem received a cablegram of congratulations on the occasion of her birthday, Wednesday, March 6th, from her daughter, Mrs. J. Dunlavy, who recently left for England. The cablegram was sent from an English port. Mrs. Dunlavy, in company with Mrs. Arundel of Duchess, left Bassano some three weeks ago for England, where they plan on joining the Women's Auxiliary Force. This is the first word Mrs. Brown has received from her daughter, and indicates her safe arrival in the Old Country.

### DANCE FRIDAY NIGHT

Rutschka's Rhythm Rascals will play at a dance following the Social Credit meeting on Friday evening of this week in the I.O.O.F. Hall. All persons in the district are cordially invited to attend. Admission will be small.

## Independent

DON J. MCKINNON

Independent Candidate for Gleichen Constituency who addressed Bassano Audience Tuesday Evening. Mr. McKinnon operates a farm in the Carseland District.

## Short Meeting Hospital Board Held Saturday

The hospital Board met in the hospital on Saturday, March 2nd, for their regular monthly meeting. All members were present. Accounts totalling \$1,544.83 were passed for payment. The Superintendent reported that, during the month of February forty eight patients had received treatment in the hospital; nine operations had been performed and five babies had been born. All babies were girls. Two patients died during the month.

The report of the Secretary showed Earnings for the month of \$1,506.47. Total receipts for the month were \$1,775.98 and total disbursements \$1,898.61.

The Board re-appointed Mr. E. D. Battum of Calgary to the position of Auditor for the year 1940.

## MITCHELL, McCUNE TO SPEAK HERE FRI.

Electors of the Bassano district are invited to attend a public meeting in the I. O. O. F. Hall on Friday evening of this week, when Archie H. Mitchell, New Democracy candidate in the forthcoming Federal election, and I. M. McCune, Social Credit candidate in the Provincial election, will speak.

Mr. Mitchell, M. P. for the Medicine Hat constituency for the past term, has spoken in Bassano on previous occasions, and on each has delivered an address of interest to citizens.

Mr. McCune, M. L. A. of Irricana, will be a new speaker to most persons, not having represented Bassano in the last provincial campaign. A change in the constituency boundaries places Bassano in the Gleichen constituency in Provincial politics, in which Mr. McCune has been the representative for the past four and a half year term.

## BOARD OF TRADE DANCE TO FEATURE SONNY FRY ORCH.

The local Board of Trade will sponsor a dance on April 12th, in the Masonic Hall and have engaged one of the best dance bands in western Canada to supply the music. Sonny Fry and the Gentlemen of Music will be in attendance and will bring to the dancing public of this town and district, dance tunes and novelty numbers that have gained for this band a very enviable reputation.

The Board of Trade dances in the past have always been very enjoyable affairs and this one will undoubtedly be the most outstanding social function of a number of years. Being staged at the time of year when everyone is yearning for an opportunity to get out and go some place, after being cooped up during the long winter months, arrangements are being made by the committee in charge to make this dance the most outstanding ever held by this progressive organization, and to satisfy the wants of even the most critical.

Sonny Fry and the Gentlemen of Music, were engaged last summer by Penleys Dancing Academy at Sylvan Lake and during the past two seasons have been featured on a Wednesday evening program at 8:30, over C.F.A.C., from the Palace Theatre in Calgary. So popular and so much in demand is this dance band that engagements have to be made several weeks and some times months in advance so the Board of Trade feel they are indeed fortunate in obtaining the services of this dance orchestra.

## NEW ALBERTA LICENSE PLATES AVAILABLE BEFORE EASTER

New license plates for Alberta cars may be made available before Easter this year, officials of the provincial secretary's department said recently.

Mailing of application forms to car owners is expected to commence next Saturday or Monday, following the departmental practice in recent years of sending out these forms to all those who held licenses the previous year.

The new plates will have black numbers on an orange background.

## E.I.D. NOTES

At the Contract Meeting called for the purpose of discussing the advisability of electing a contact man for Millicent District held on 24th February, it was moved by E. P. Berg and seconded by D. O. Thompson that N. J. Rust be nominated for contact man. No further nominations were made and N. J. Rust was appointed contact man for the Millicent District.

## TOWN OF BASSANO

### NOTICE

Public notice is hereby given that all water users are advised to boil all water for drinking purposes until further notice. Local Board of Health.

## Town Council Holds March Meeting

A regular meeting of the Town Council was held in the Town Hall on Monday evening of this week, March 4th, all councillors being present. Mayor W. S. Playfair occupied the chair.

Following the reading of the minutes of the last regular and special meetings, several topics of interest to the council were thoroughly discussed.

McCannel Bros. and Co., Chartered Accountants of Calgary, were again appointed auditors for the coming year.

The necessary resolution was passed giving authority to the Mayor or deputy mayor and the secretary of the town to sign cheques.

A donation of ten dollars was made to the Alberta Institute for the blind.

A report from the town engineer dealt with the local pumping plant, where damage had been done to a part of the purification system. New parts have been ordered, and the Council expressed the opinion that until the new parts are installed all residents of the town should be advised to boil drinking water before using it.

In view of a report from the Provincial Sanitary Inspector, the Council ordered regulations to be strictly enforced in the future. These regulations are in regards to the storage of hides and pelts in the town. Any person wishing to store hides must apply to the local board of health before storing them. Stating where they are to be placed.

The town engineer's report stated that there had been one burial during the month of February in the local cemetery.

Considerable work had been done in town in clearing ice and snow from sidewalks and gutters had been opened up to allow water to flow off the streets.

Both the auxiliary gas plant, and the pumping station equipment was operating in good condition.

The treasurer reported for the month of February receipts amounting to \$1,279.21, and payments amounting to \$1,791.10.

Accounts presented and passed for payment were as follows:—

G. S. Warren	\$ 1.65
Pay Roll for Feb.	383.90

FLOYD T. CARY, PUBLISHER

### ARE YOU ON THE VOTERS' LIST?

**T**HERE IS Opportunity for every qualified elector to have a vote in both coming elections. The matter has been made as easy as possible. Enumerators have called at every habitation, and have compiled lists of all qualified voters they have been able to find.

Dominion election lists have been posted for public view at points of easy access within the various enumeration districts.

On March 12th, courts of revision will be held to give those missed in the first compilation an opportunity to have their names added to the lists. In Bassano, the court of revision will be held at the Town Hall.

Every elector should be able to afford the time to examine the posted list for his particular subdivision. To leave this checking to some political committee is just plain indolence.

If some qualified persons in this district find themselves without votes on election day, they will have to blame themselves. Certainly it will be no one else's fault.

### ATTEND POLITICAL MEETINGS.

**W**ITH ONLY Two weeks remaining before the provincial vote, and slightly more before the Federal vote, candidates are touring the district seeking support in the campaign. Already two such meetings have been held at this point, and at the first, the attendance was the poorest on record in Bassano. It is our duty to attend the meetings, giving each candidate an opportunity to place his views before us, the voters.

These men, on the whole, are in politics because they believe they can help the province or the dominion and are offering their services. Everyone knows that candidates are making a sacrifice of time and money to enter the contests and in the long run all candidates usually lose in the effort.

Due to the shortness of campaigning this year there is no reason why citizens should not attend the few meetings which will be held and listen to the addresses. Such procedure is a part of democratic government, a part which we can support with little effort. As citizens it is our duty to attend election meetings and give the candidates a hearing, and then decide which candidate warrants our support.

### CAN'T BE DONE.

**W**E MET A Man the other day who was dissatisfied with the town. He didn't like his neighbors. He distrusted their friendliness to him or his family. He attributed to every act of every one an ulterior motive. He didn't enjoy going to church because he doubted the sincerity of some of its members. The poor secluded soul doesn't know the trouble is all his own. He has cultivated the habit of looking for faults in others and never gets the good points. He might have many friends and enjoy many social contacts, but because of his unfortunate unsocial attitude his friends are few, and even they, when they hear him tear others to pieces, cannot help but wonder how they fare when he begins to tear them to pieces, before others as he always does. He reminds us of the rookie recruit who complained to the captain that he had been trying for three blocks to get the other members of the company to get in step with him. Whenever a man starts out with the idea of making over the town and everyone in it to fit his particular narrow minded idea of what it should be, he is doomed to disappointment. People and towns are just not constituted that way.—Shaunovan Standard.

### ABERHART WORRIED BY INDEPENDENTS?

**P**ROOF THAT Aberhart is worried by the popularity of Independents in each Alberta constituency, with the indication that they will wipe out the Social Credit candidate in many ridings, was seen last week in his bitter attacks on the Independent cause. In a dominion-wide broadcast given gratis by the CBC Aberhart urged Canadians in other provinces to forget old parties. But a few days later, in an Alberta broadcast, he said that E. L. Gray had "let down" the Liberal party by accepting nomination as an Independent.

The premier pretended to scoff at the Independents; he referred to them as a party and said he could name the intended personnel of the "next cabinet" in Alberta, ignoring the plain fact that no one will know who the premier or cabinet members are to be until elected Independents meet together after March 21 to decide who is to lead the legislature.

Aberhart's speech from Calgary when he "accepted" nomination there was regarded by non-political observers as the most hysterical and personally destructive ever delivered by a premier in Canada. He described non-Social Crediters, as "big-shots, deluded henchmen, double-dealing gossip mongers, financially servile muck-raking press, disguised old-time party financial henchmen like jackasses kowtowing and braying to the stars, depraved reprobates, enemies of the people, stool pigeoning lawyers."

So anyone who votes against the Aberhart candidate on election day knows what Aberhart thinks of him—-or her.

## Amateur Contest Posponed to 15th

The Bassano Bearcats will present an amateur night and dance in the Masonic Hall on Friday, March 15th.

This form of entertainment has proven very interesting in the past and the club assures people of the district a very entertaining evening. To be sure that the talent reaches a high standard an entry fee of 25c will be charged. Entries should be sent to Ted Stiles immediately.

Suitable prizes have been arranged for, so everyone in the district who has talent should not miss this opportunity to participate.

A special feature of the program will be the quiz contest in which ten members of the audience will take part. The popularity of this type of program on the radio has led the club to include this in the evenings entertainment. Doubtless endless enjoyment will be created as contestants attempt to answer quizzes put forth by the master of ceremonies, Ralph Arrison.

Following the amateur hour that popular local orchestra the Rhythm Rascals will beat out the rhythm till the wee sma hours of the morning.

Shortly after midnight members of the hockey club will serve lunch to the hungry crowd of dancers.

The admission charges are very nominal being 25c for the amateur hour and 35c for the dance.

### ALTAR SOCIETY SPONSOR DANCE

The Local Catholic Ladies Altar Society are sponsoring an Easter Dance in the Masonic Hall, on Monday, March 25th. This event has always been a gala affair in Bassano, and will prove no exception this year. Special door prizes will be given to the holders of lucky tickets. Rutchka's Rhythm Rascals will supply the music.

### WEATHER TURNS MILD

A mild turn in weather conditions in the district this week, saw a large portion of the snow that fell approximately a month ago melt and form trickling streams over streets, roads and even in the fields. Cool nights have caused the puddles and sloughs formed to freeze over, making motor traffic dangerous at some points.

It is reported that roads in the district are in fair condition, even though very slippery. Several motorists have required assistance across mud-holes, where a larger amount of water has caused damage.

Temperatures have hovered well above the freezing point.

On Friday, March 15th, the Gem Community Club will present "Aunt Bessie Beats the Band" in the Gem Community Hall.

The play is a full evening Three Act, joke-packed drama, full of laughs and humorous situations and everyone is invited and advised to attend for the evening of March 15th. See how Aunt Bessie, hater of all men in general and of lawyers in particular, manages to entrap the cagey old lawyer, who after having been proved against the charms and wiles of all women for fifty years, finally falls an easy prey to the schemes of Aunt Bessie.

Again we remind you to be on hand at the Community Club Hall, Gem, on March 15th, the proceeds will be used for construction of new seats. And last but not least, there will be a dance after the play, so come one, come all!

## JAMES JOHNSTON

"THE STORE OF QUALITY"

## CANDIDATE SKETCHES

Archie Mitchell, New Democracy Candidate in the Federal election on March 26th, is one of the progressive farmers of the Medicine Hat District. Becoming interested in the platform and policies of the Social Credit Party previous to the 1935 Federal Election, he took up the cause in behalf of the electors in the Medicine Hat constituency, and following the ballot count became Member of Parliament for that Constituency. Keeping in mind the welfare of his constituents, Mr. Mitchell has spoken in Bassano on Previous occasions, drawing large crowds to each of his meetings. He will speak in Bassano again on March 8th.

Mr. I. M. McCune of Irricana,

on the Bow River this week makes it necessary to boil all water for drinking purposes, according to a notice issued under the authority of the local Board of Health. No replacements for the damaged part could be found in Alberta, and it was necessary to send to Winnipeg for the new piece, until the piece arrives, and is installed on the equipment, Citizens are advised that it would be best to boil all drinking water, until further notice is given.

like Mr. Mitchell, is a farmer who became interested in the Social Credit principles, and unsuccessfully contested the Provincial election in the Gleichen Constituency. Until recently, Bassano was not under his jurisdiction, and consequently he has not addressed a meeting in Bassano up to the present. With an eye to the welfare of the constituency, Mr. McCune will solicit the support of Social Crediters on March 21st.

**Mr. and Mrs. Voter Of GLEICHEN Constituency!**

J. H. COLDWELL

Your own opportunity in four  
or five years to make a definite  
stand for economic democracy and  
social progress is now before you.

To emancipate ourselves from  
the present economic stalemate,  
nothing will suffice short of the  
return to the public for public  
control and operation the natural  
resources of our country, plus the  
development of the co-operative  
philosophy until it reaches our  
whole national economy.

Former Social Crediters of New  
Zealand, seeing that Social Credit  
did not offer a sound way out,  
whose program is almost identical  
to our C. C. F. Movement in Canada,  
and elected that government  
to office in 1935, and with still a  
larger majority again in 1938, New  
Zealanders are now enjoying prosperity.  
This now awaits your  
decision in Alberta and Canada.

Why Vote Independent! At  
its very best it is the old line  
parties dressed up under a new  
name for this occasion, which  
stands for the continuance of Capitalism  
and exploitation of the  
farmer, laborer, small business  
man and consumer alike.

The Co-operative Commonwealth  
Federation (C.C.F.) is the most  
honorable, just and Christian  
Movement I can conceive of.

**Vote C.C.F.**

J. H. Coldwell,  
C. C. F. Candidate, Gleichen  
Provincial Constituency.

professionals like to inflict on the innocent,  
in any part of the whole Dominion,  
a good garden is possible and at a minimum  
of expense and labor.

Much too often the lack of garden  
traces to a misapprehension,

"WINTER CARNIVAL"

Starring:—Ann SHERIDAN and Richard CARLSON

**ORPHEUM THEATRE : BASSANO ALTA.**

One sees one neighbor out in gardening  
after evening. One naturally  
concludes that this sort of thing  
must mean a lot of hard work. This  
conclusion, of course, is utterly  
wrong. The neighbor is simply enjoying  
himself. Half the time he is  
merely putting around, moving a  
shrub from one corner to the other,  
or more likely admiring the beauty  
he and a marvellous Canadian  
climate have been able to produce  
together.

**So's All Climates**

As a recreation gardening is unexcelled.  
There is the widest range  
of materials with which to work,  
thousands of flowers, of as many  
hues, at least half a hundred distinct  
vegetables, and scores of  
shrubs and vines. Whether on lives  
in the balmy part of Canada, or  
down to the Arctic Circle something  
in almost every line has been developed  
to suit the local conditions.

**Creating Spaciousness**

Where space is limited, it is advisable  
to follow a strictly informal  
layout with the central portion of  
the garden cleared of beds and  
shrubby and devoted entirely to  
grass. Around the edges will be  
grouped beds of perennials and annual  
flowers, leading up to shrubs  
and vines along the walls or fence  
boundaries. This open centre adds  
to the effect of spaciousness and if  
the rigid boundaries are softened  
and partially hidden so much the  
better and intriguing.

Where the garden is larger, experts  
advocate screening off a portion  
by bringing forward the surrounding  
shrubby at one point, or using a  
hedge, wall or trees so that the  
whole affair will not be entirely  
visible from any point of observation.  
This will add further to that  
air of spaciousness and also  
provided a scheduled corner or two  
for childrens swing or sandbox or  
possibly a seat or trellis covered  
table, where on hot summer days  
the family may enjoy outdoor  
meals.

**War Boosts Vegetables**

War and its need for conserving  
food supplies brings vegetable  
gardening into popularity again.  
Certainly at a time like this any  
piece of idle land should be put to  
profitable use. And in doing this  
the grower will discover once more  
that only vegetables are taken fresh  
from the garden to the table is the  
highest flavor possible. Indeed with  
certain things like corn and peas  
there is absolutely no comparison  
between the fresh picked article  
and that which is hours removed  
from the garden.

## News Notes From District Correspondents

### Gem Notes

Mr. and Mrs. Len Standen and children were Calgary visitors on Tuesday of this week.

There will be a dance in the Gem Community Hall on Friday evening of this week, March 8th, the local Gem orchestra supplying the music.

A number of cases of the flu have been reported in Gem Colony of late, numerous persons being confined to their beds.

### LATHOM

Several of the Lathom young people attended the play and dance in Gem on Friday night.

Mr. and Mrs. Levesque entertained Mr. and Mrs. S. Gosling, Mr. and Mrs. M. Vengir and Mr. and Mrs. H. Baker, at dinner Sunday evening.

Mary Goudie was a week-end guest at the Gosling home.

Mrs. Ingram and Pete Enns of Gem and Mr. and Mrs. E. Merithew were guests at the Picket home, Sunday.

Miss R. Wurster of Calgary is spending a few days at the Gosling home.

### HUSSAR

Mr. Perry Barker ploughed the snow from the road west from Hussar to the Chancellor corner on Saturday; this opens the road as far as there was any snow.

Mr. Arnold Law returned from Calgary on Monday. He had spent a few days there visiting Mrs. Law.

Mr. and Mrs. H. A. Treend returned from Calgary on Monday.

Mr. and Mrs. T. L. Montgomery and Mrs. D. Derrick and son, Ronny, motored to Calgary on Saturday.

Hon. Gershaw and Mr. Claypool are speaking in the hall on the evening of Friday March 1st.

There will be church services in the school house on March 10th, roads and weather permitting. Rev. Sam Marshall, of Ogden will preach the sermon.

On March the 7th, there will be a McCormick-Derrington Power Farming Entertainment in the Hussar Community Hall, at 1 p.m., under the auspices of Bell and Nelson.

The Red Cross are planning to have a dance in the hall soon.

The Hussar Ladies' Aid will meet at the home of Mrs. H. D. Brown on Thursday afternoon, March 4th; all ladies interested are cordially invited to attend.

(To late for last week.)

The organization meeting of the Village Councillors of Hussar was held on Tuesday afternoon. Mr. W. G. Nelson, whose term has expired, was re-elected by acclamation, for a term of three years, and took his oath of office. Mr. E. J. Bell was re-elected Mayor for the year 1940. Mr. H. D. Brown was elected Deputy-Reeve. The Secretary is M. C. Bell, the auditor's report showed the Village to be in good condition financially.

At the annual meeting of the Hussar School District, Mr. S.W. Lawrie, who had been elected a few months ago, to finish out the

### WELL WORKERS INJURED AT PATRICIA

Three Turner Valley Oil Well workers were seriously injured at the No. 3 well near Patricia on Wednesday afternoon of this week, when the well, which had been capped, blew bit and tools high into the air. The three were Russel Austin, Wm. Marshall and L. Johnston.

Considerable damage is understood to have been done to the derrick when the tools were blown from the hole.

Eight men were working in the well at the time of the accident, five escaping injury. The three injured were rushed to the Bassano Hospital, and are reported to be resting and progressing favourably this morning.

### SABOTAGE

In its issue of Monday evening, the Edmonton Bulletin makes the bland announcement on its front page that:

"Mayor Andrew Davidson, of Calgary, has been selected by those behind the Unity Movement in Alberta to be the leader of the new Independent party."

There seems to be several things wrong with the story. One is that it isn't true.

Across Alberta, in all the ridings, people of all political beliefs have banded together to nominate Independent candidates for the new legislature which will be named by voters on March 21.

term left vacant by the resignation of Mr. F. C. Campbell, was elected for a term of three years. The annual reports showed the School District to be in good condition financially.

Great interest is being shown in curling these days, and evenings. There is a good sheet of ice and the weather is just right. The school children are enjoying the skating on the rink by the school house; the sheet of ice is in good shape.

The constituencies have made their own selections. They have named men they believe in; men they hope will restore to Alberta the good things, and the sound and the decent things in our Canadian Life.

Perhaps it was not to be expected that the Bulletin would view such a crusade with favour, and perhaps it was to be expected this Edmonton paper, which has been supporting Mr. Aberhart for reasons of its own, would try to sow discord among men who have never got together to name a "leader" or to form a party.

The hope would be, of course, that Independent candidates, busy in their own constituencies, reading the Bulletin's announcement that Mr. Davidson had been "selected" by those behind the movement, would feel someone was ganging up; that someone was double-crossing. The hope would be that dissension would be sown; hurt Mr. Davidson, endanger the crusade. It was an attempt at

### sabotage.

But these tactics will not prevail. The cause is too important; the issues are too great, and there is too much determination to achieve the objectives in this campaign not only among the candidates, but in the minds of the people of Alberta.

Neither the candidates nor the people will be diverted from these objectives by rumor or by falsehood and when the time comes to select a leader for a new Alberta government, that also will be done in a sound, a decent and business-like way.—Calgary Herald.

## Keep Canada's War Effort United!

Experienced Leaders are

## VITAL for VICTORY

In six months of war the Mackenzie King Administration has set an unprecedented record of getting things done without fuss and fury. Under its steady leadership, Canada has gone ahead on all fronts—war, economic and domestic. With clear heads and with feet on the ground, this group of purposeful men is making every ounce of Canada's weight felt in our fight for freedom. What it has done has been done thoroughly: there has been no loose thinking; no half-measures; no waste of men, money or materials.

### Some of the Mackenzie King Administration Wartime Accomplishments

**It united Canada as never before**—Every province is heart and soul behind the Empire's war effort this time, thanks to the Administration's truly national policies.

**The First Division**, completely equipped, has been sent overseas to a Mother country prepared to receive it.

**The Second Division** is recruited, equipped and ready to go over.

**The great Empire Air Training Scheme**—sponsored and mainly financed by Canada, has been launched on a planned and ordered basis.

**Naval Defence** for both East and West Coasts including Air Force, Mine Sweepers and Convoying, has functioned efficiently since the outbreak of War. Of it, a Senior British Naval Authority has said: "No finer work is being done anywhere by the Royal Navy itself."

**Price Control of all commodities**, including such vital necessities as wool and sugar, has been established, with prices pegged low for the poor man. The profiteer is out, and will be kept out—in marked contrast to the free-for-all of the last war.

**Shipping Control and Foreign Exchange Control** are firmly established on sound lines and are functioning smoothly and effectively.

**A \$200,000,000 War Loan** was over-subscribed within two days of its launching, a record that proves public confidence. Its reasonable rate of 3½% contrasts with 5½% tax-free rate of the last war.

**Political and Private Patronage** has been stamped out: merit is the sole basis for selection or promotion in our armed forces.

**Great Britain's war financing problems** have been lessened through the co-operation of the Canadian Government.

**War Contracts** totalling well over \$100,000,000 have been placed, stimulating every branch of Canadian industry.

**Canadian employment** has hit an all-time high owing to these orders and to good internal business conditions.

**Armament deliveries** are approaching full-speed: aeroplanes, Bren guns, tanks, artillery accessories, ships—all coming forward in impressive quantities.

**Large purchases of Canadian wheat**,—preventing a serious wheat glut—have been arranged through a special mission sent to London by the Mackenzie King Administration.

**5,600,000 pounds of bacon** will be shipped to Great Britain each week, as well as large quantities of flour and fish.

**Huge shipments of steel** and other materials essential to the conduct of the war have been arranged for.

### Make Your Vote Support Canadian Unity

Such a record simply didn't just happen. It resulted from the efforts of a strong administration working on behalf of a country united in all its parts as never before. And this singleness of purpose—conspicuously absent in 1914—is due to the vision, understanding and drive of individual Canadian and Empire-minded Statesmen who back the Empire's participation in the war with their eyes wide open and with full determination to play their parts to the full.

We appeal to the people of Canada for the support which is essential to carry on and complete a task, the groundwork for which has been laid carefully, soundly, wisely... with foresight, determination and resolute courage.

On March 26th show your faith; vote for the Candidate supporting  
Mackenzie King and help make sure there can be no break in  
Canada's steadfast stand in these critical times.

## INDIAN 5-BASSANO 0

The Bassano Bearcats Hockey Club dropped a 5-0 decision last Friday night to the Gleichen Old Sun Indians on slow, slushy ice in the second round of the Walter Agnew trophy. The 'Cats after perfecting a fine combination play, were forced to abandon this style as passing became impossible. The Indian Club seemed to click quite smoothly on the rough surface easily out-manoeuvring the local team. The game developed into a mere batting game with a little or no hockey played at all.

Big Charlie McMaster and Phil Backfat led the sharpshooters from the reserve, each picking up a brace of counters and an assist. Despite all the rough and tumble play no penalties were handed out by Referee St. McKay.

The 'Cats used a complete Juvenile line on the second string as Douglas and Kay were not in the lineup.

The 5-0 score was not an exact indication of play as the Indians were more than lucky on a couple of tallies.

The game was the first in a home-and-home series. Due to the present weather conditions it is probable that "B" series will not be finished this year.

Jim McBride played his usual consistent game in the nets.

## McKINNON...

(Continued from page 1)

method of Levy, persons of smaller incomes had been taxed in greater proportion than those of large income. He also pointed to the Credit House experiment of the government, stating that by March 31st, 1940, these will have cost the province \$600,000, a sum which could have been used to more advantage in other phases of government work.

Following this summary of provincial affairs, Mr. McKinnon turned to the present day situation, and proceeded to outline some of the provincial problems which require consideration which he believed would restore sound conditions in Alberta.

Said Mr. McKinnon: "If the government if this province is to restore credit, confidence and self respect to its people, it must have an efficient and sane administration that will seek to promote harmony among the people of the province, and between the province and the Dominion."

"It must recognize the necessity of:—

1. Each elected member attacking with vigour and sincerity the job of work that is to be done.
2. Administration of Provincial affairs with the greatest measure of economy consistent with efficiency.
3. Debt protective legislation for urban and rural debtors alike, until such time as all debts are adjusted on a fair and equitable basis.
4. Refunding of the public debt at lower rates of interest.
5. Complete revision of the basis of taxation with the object in view of lessening the burden of taxation on land.
6. To provide as far as possible equal opportunities for all children by gradually extending and improving educational facilities.
7. After a fair trial, granting the ratepayers in large school units an opportunity to decide by plebiscite the future of the system.
8. Health service generally, with a view to the progressive development of a complete health service available to all our people.
9. Abolition of the patronage system in the conduct of all Provincial business. Establishment of the merit system in the Civil Service and the restoration of the Returned Soldier preference; administration to be by no-political Civil Service Commission responsible to the government.
10. Freedom of the Press and of the individual.
11. The development of highways and market road construction as finances permit on a basis fair and equal to all parts of the province. In this connection, I would advocate the ear-marking of 75 per cent of the revenue derived from gasoline and automotive taxes to the building and maintenance of roads and the restoration of cash grants to the Municipalities.
12. Continuance of the system of local self-government.
13. Adoption of progressive policies for the encouragement of agriculture:
  - (a) Co-operation with other

what part will play in the development of a marketing policy under a Federal Wheat Board with a fair minimum price guaranteed to all producers until such time as a general crop insurance is evolved.

(b) Drought Area Rehabilitation.

(c) Encouragement of co-operation efforts in the handling and marketing of the products of the farm and other co-operative enterprises along lines calculated to reduce the cost of production, distribution and living.

(d) Establishment of a marketing branch for the purpose of obtaining and furnishing to marketing Associations and other organizations and individuals interested, all available market information.

14. Progressive development, without exploitation, of our Natural Resources.

15. To assist the Mother Country in this hour of peril with all the resources at our disposal, ever keeping in mind our duty of rehabilitation of our soldiers fighting in this present great conflict.

After naming each point, Mr. McKinnon gave a detailed explanation of what had been done by the present government, and what he believed should be done by the new government.

"As a strictly independent candidate, bound to no party, I do not make these statements as promises in a political platform," he said, "but I do promise to do my best in the realization of these objectives."

"I am entering this campaign with a clear conscience and regardless of the outcome, or the length of time I spend in office, if elected, I intend to keep my conscience clear, and desire to maintain at all times the same congenial relationship I now enjoy with all my friends and neighbors."

Concluding his address, Mr. McKinnon stated that ills such as we now have cannot be cured by disagreeing with ourselves, but require co-operation one with another and a sound administration. He believed that the answer does not lie in dictatorship, such as we nearly have, but rather in a government with the support of the people.

"However, these are questions we must decide upon, ourselves," he stated, "when election day arrives on the 21st of this month."

## Local Items of Interest

Miss Lois Hunter returned to her home in Medicine Hat the first of the week, after relieving in the telephone office for the past few months.

Ronnie MacLean, who broke his ankle while playing hockey three weeks ago, is able to be about again without the use of crutches.

Victor Greenwood is suffering from a broken leg, received while practising tumbling exercises at a recent Scout meeting. With the assistance of crutches, he is able to continue his studies at school.

### BORN AT THE HOSPITAL

To Mr. and Mrs. Ralph Marquardt a daughter, on March 1st.

To Mr. and Mrs. Clayton Galarneau, Gem, a son on March 6th.

To Mr. and Mrs. Edwin Schaffer Makepeace, a daughter on March 6th, 1940.

BORN—To Mr. and Mrs. J. N. Donaldson of Grand Prairie, a daughter, Patricia Jean, on February 13.

### LADIES AID TO MEET

The Ladies Aid of Knox Presbyterian Church will meet at the home of Mrs. Ben S. Plumer on Thursday, March 14th. All members and friends are cordially invited to attend the meeting.

### McKINNON TO SPEAK AGAIN ON MARCH 18th

Donald J. McKinnon, Independent Candidate in the Gleichen Constituency, will make his second appearance in Bassano in the present election campaign, on Monday, March 18th, when a public meeting will be held in one of the local halls. Citizens of the district are urged to keep the date in mind.

Other points to be visited in this end of the constituency will be:

Chancellor on March 12th, in the local hall during the afternoon; Cluny, on the evening of March 12, in Hermans Hall; Hussar on the afternoon of March 14th in the Hall; Standard, in the evening of March 14th, in the K. P. Hall; and Gleichen the evening of March 19 in the Hall.

Miss Margaret Douglas was a Brooks visitor on Saturday last.

Mr. H. W. Phipps spent Tuesday last, visiting in Calgary.

Miss C. Murdock was a Calgary visitor on Saturday of last week.

C. W. Bethell of Beynon has been visiting in the district for the past few days.

Mr. and Mrs. L. Conn spent the early part of this week visiting in Calgary.

Mr. George Morrison has been visiting in Edmonton for the past two weeks.

Mrs. K. H. McAmmond is spending the week visiting with relatives in Calgary.

Ival Warren and Archie McLean were business visitors to Calgary on Saturday last.

Mrs. N. Voss of Calgary is visiting at the home of Mr. and Mrs. A. S. Currie for a short while.

Mrs. A. P. Thompson was a visitor in Medicine Hat the early part of this week.

Mrs. Dave Jefferies and daughter Beth, of Wetaskawin, Alta., are visiting at the home of Mr. and Mrs. J. Rathbone.

Mr. Henry Hepfner left on Wednesday of this week for Cochrane, where he will be employed in the future.

Mass will be said in St. Columbus R. C. Church on Sunday, March 10th, at 11 a.m., by Rev. Fr. Morrow of Brooks.

Miss Carolyn Beeber, who is attending school in Calgary, spent the week-end visiting at her home in Bassano.

Mr. H. F. MacBeth, operator at the local station, was confined to his home a couple of days this week with the flu.

Alex Haig, who for the past number of months has been employed in the local hotel, left this week for a farm in the district where he will be employed.

Miss D. Flanagan, teacher at Cluny, spent the week-end visiting with her parents, Mr. and Mrs. W. L. Flanagan.

Mr. Jim Davis, Mr. Ival Warren, Mr. Frank Rockwell and Miss Boneta Johnson were Calgary visitors on Thursday last.

Mrs. J. T. Summerbell suffered the misfortune of spraining her ankle while walking on the street last Friday evening.

Don't forget the dance to be held in the I. O. O. F. Hall on Friday evening of this week, following the Social Credit Meeting.

The Ladies of the Bassano Anglican Church wish to thank all persons in town who assisted in making the Lenten Tea a success.
